##### RESOLUTION

New Delhi, the 17th January 1958

No. 33(2)-TMP/57.—The Government of India by its Notification No. S.R.O. 160 dated the 7th January 1954 removed the ban on forward trading in gur which was imposed by the Sugar and Gur (Futures and Options) (Prohibition) Order, 1951, issued under the Essential Supplies (Temporary Powers) Act, 1946. The regulatory provisions of the Forward Contracts (Regulation) Act, 1952, were also not applied to gur. As a result, forward trading in gur by means of transferable as well as non-transferable specific delivery contracts continued to remain free.

2. The Forward Markets Commission has since examined the question of the regulation of forward trading in gur and submitted its Report. The main recommendations of the Commission are that the regulatory provisions of the Forward Contracts (Regulation) Act, 1952 be applied to gur and that forward trading be conducted through associations to be recognised under the said Act.

3. The Government of India have carefully considered the recommendations made by the Commission and have come to the conclusion that there is no strong justification or special need for the time being to bring gur under the purview of the Forward Contracts (Regulation) Act, 1952.

##### MERCHANT SHIPPING

New Delhi, the 16th January 1958

No. 33-MS(207)/57.—The various Ministries of the Government of India have during recent years been importing cargoes on Government account on a very large scale. The bulk of these imports is carried in foreign ships and therefore the bulk of the freight payments involved go to foreign shipowners. It has been felt that with better liaison between the various Ministries of the Government of India and other

Government organisations on the one hand and the Indian Shipping interests on the other, more intensive use could be made of Indian shipping for handling these imports. This would not only result in appreciable savings in foreign exchange as well as rupee disbursements for the Indian Exchequer but would also go a long way in giving a fillip to the expansion of Indian tonnage. It has, therefore, been decided that a Committee called "The Shipping Co-ordination Committee" should be set up with immediate effect with the following functions:

- (i) to act as a Clearing House of information in regard to the availability of Government owned cargo and shipping space in Indian ships with a view to making the most effective use of the available Indian tonnage;
- (ii) to advise on the best and the most economical shipping arrangement possible for the movement of Government-owned cargoes when Indian Shipping is not available, i.e. whether non-Indian vessels should be chartered and, if so, whether on time basis or voyage basis;
- (iii) generally to co-ordinate and advise on all policy matters relating to shipping, including the development of Indian Shipping.

2. The Committee will be located in the Department of Transport and shall have the following composition:—

(a) *Chairman—*

Secretary, Department of Transport or, in his absence, Joint Secretary (Shipping)

(b) *Members—*

1. Secretary, Ministry of Finance (Department of Economic Affairs) or his representative.
2. Joint Secretary, Ministry of Finance (Communications Division)
3. Joint Secretary, Ministry of Finance (Corporations Division)
4. Secretary, Ministry of Food & Agriculture, Department of Food, or his representative.
5. Secretary, Ministry of Works, Housing and Supply, or his representative.
6. Director General of Supplies and Disposals, Ministry of Works, Housing & Supply.
7. Secretary, Ministry of Commerce and Industry or his representative.
8. Chairman, State Trading Corporation
9. Secretary, Ministry of Steel, Mines & Fuel, or his representative.
10. Chairman, Railway Board, or his representative.
11. Director General of Shipping
12. One representative of the Indian National Steamship Owners' Association, Bombay.
13. One representative of the India Steamship Company, Ltd., Calcutta.
14. One representative of the Scindia Steam Navigation Company, Ltd., Bombay.
15. One representative representing both the Eastern and the Western Shipping Corporations.

(c) the Committee will have the power to co-opt representatives of other Ministries and the Planning Commission, as and when necessary.

(d) the Committee, will have a full-time Secretary with the requisite Secretariat assistance.

(e) in order to assist the Committee, there will be two Liaison Officers of the Indian Shipping concerns, one representing such concerns in the public sector and the other representing such concerns in the private sector, who will attend the meetings of the Committee along with the Secretary of the Committee.

The Committee will meet as often as may be necessary.

**ORDER**

Ordered that a copy of this Resolution be communicated to the Members of the Shipping Co-ordination Committee, the Private and Military Secretaries to the President, the Prime Minister's Secretariat, the Cabinet Secretariat, the Planning Commission, the Ministries of the Government of India, the Director General, Supplies and Disposals, New Delhi, the Directorate General of Shipping, Bombay, the India Steamship Company, Ltd., 21, Old Court House Street, Calcutta, the Scindia Steam Navigation Company Ltd., Scindia House, Dougall Road, Bombay, the Indian National Steamship Owners' Association, Bombay, the Eastern Shipping Corporation and the Western Shipping Corporation, Bombay and the State Trading Corporation, New Delhi.
